EDUCATION FOR SOCIETAL CHANGE

“What business entrepreneurs are to the economy, social entrepreneurs are to social change. They are driven, creative individuals who question the status quo, exploit new opportunities, refuse to give up, and remake the world for the better.”

OUR VISION: EDUCATION FOR SOCIETAL CHANGE

By advancing Social Entrepreneurs we create **a new awareness** and **depict solutions** in which entrepreneurial thinking and acting create social innovation in a sustainable manner.

In 2010, the Social Entrepreneurship Akademie was established as a joint initiative by the four university-based entrepreneurship centers in Munich. Under the slogan „Education for societal change“ this unique network organization educates social entrepreneurs or social changemakers. It also instils entrepreneurial thinking in all disciplines and makes social impact a decision category in organisations.

Our focus areas

- Education & Integration
- Society & Participation
- Health Care & Social Challenges
- Environment & Sustainability
- Intrapreneurship & Innovation

MISSION AND AREAS OF ACTIVITY

- 1 Qualification, Motivation, Training
- 2 Start Up Consulting & Coaching
- 3 Network, Partners & Community

The Social Entrepreneurship Akademie has emerged as a leading competence center for education for societal change. We are striving for expanding cooperation to:

SCALE-UP local best practices and competencies so that we build an ecosystem that effectively supports social entrepreneurs to realize their projects and dreams worldwide

SHARE knowledge, resources and funds effectively with the focus on high impact ventures which we coach with specialized capacity building.

EDUCATE future decision makers so that they act decently and are prepared to take on future challenges.

CONTRIBUTE to a societal attitude change towards a responsible model encompassing social, ecological, and economic factors.
